This training does not include the cost of a manual. Those can be ordered from WSU Publications. You need to call them at 1-800-723-1763 and request the manual: MISC 0481. The manuals are \$175 plus tax and shipping and handling. We recommend one for every two people. The Publications Office needs two weeks notice to print and deliver the manual. We will have sample manuals if you are not able to order the manual in time.
