

Kitsap County Noxious Weed Control Board

September 21, 2006

7-9 pm Poplars Room

Silverdale Community Center

AGENDA

- I. Introductions & Public Comments
- II. Approval of July 06 minutes
- III. Announcements & Board Comments
- IV. Review of 2006 Goals
 - a. Dana will do a road Survey with each weed board member
 - b. Priority will be given to Hogweed locations in the county.
Log who owns these properties and contact must be made with the property owner
 - c. A draft management plan for the county to utilize for weed control will be provided to DCD, Parks, and SWWM
 - d. An educational effort should focus on the Clear Creek Trail. This should highlight areas along with trails where noxious weeds are located and what is being done to prevent their spread.
 - e. Focus on identifying and mapping Knotweed in the county. Also work on getting land owners to work to control the knotweed
 - f. Contact county commissioners about promoting a “Noxious Weed Week”, late spring/early summer
 - g. Target more nurseries, providing educational material about noxious weeds
 - h. Provide more education to the public (public outreach, workshops, seminars, etc.)
 - i. Draft revised Dirty Dozen List. Suggested weeds to add were English Ivy, Fragrant water Lily. Maybe remove Spartina, Canada Thistle, Rush Skeleton, Reed Canary Grass.
- V. Budget
 - a. Review what the Commissioners will vote on
 - b. Start discussion on possible assessment increase
- VI. Sent Letters
 - a. Follow up
 - b. Review who to send Notices to
- VII. Project updates:
 - a. Anderson Landing
 - b. Long Lake
 - c. Schold Farm
 - d. Indianola Ivy Out
 - e. Indianola Knotweed
- VIII. Program Coordinator Report
 - a. Events attended
 - b. Surveys
- IX. Other Items (tabled at July meeting)
 - a. Cost share discussion
 - b. Magnetic Signs and a Banner
 - c. Creating a spending policy for volunteer groups
